➤➤➤ TECH WEEK INVESTMENT ➤➤➤

Whether you choose **2**, **3**, or all **4** days for FUSE (at the same rate/tuition as standard BASE after-school programming), **all kids (tech and acting) are required to attend the 2 Tech Weeks before each performance of the Winter Show & the Spring Show.**

The full cost of adding these additional days will be built into the complete tuition for the year. This investment means you are pre-paying for the additional Tech Days that your child would not normally come to FUSE. **This means your child can/should attend FUSE regularly on those days by taking the bus directly after school.**

If your child attends FUSE...

- ✓ 2 Days/week = **\$310 total** Tech Week Investment
- ✓ 3 Days/week = **\$186 total** Tech Week Investment
- ✓ 4 Days/week = **\$62 total** Tech Week Investment
