GENERAL GUIDELINES

-  **NO** toys from home
-  **NO** technology (phones, smart watches, tablets)
-  **NO** gum or candy
-  **NO** open-toed shoes/sandals/crocs
 - **Water shoes are required for beach days and other water trips**
-  **Field Trips** require:
 - Ziploc bagged lunch
 - Water bottle
 - **Electric Blue** B.A.S.E. Shirt

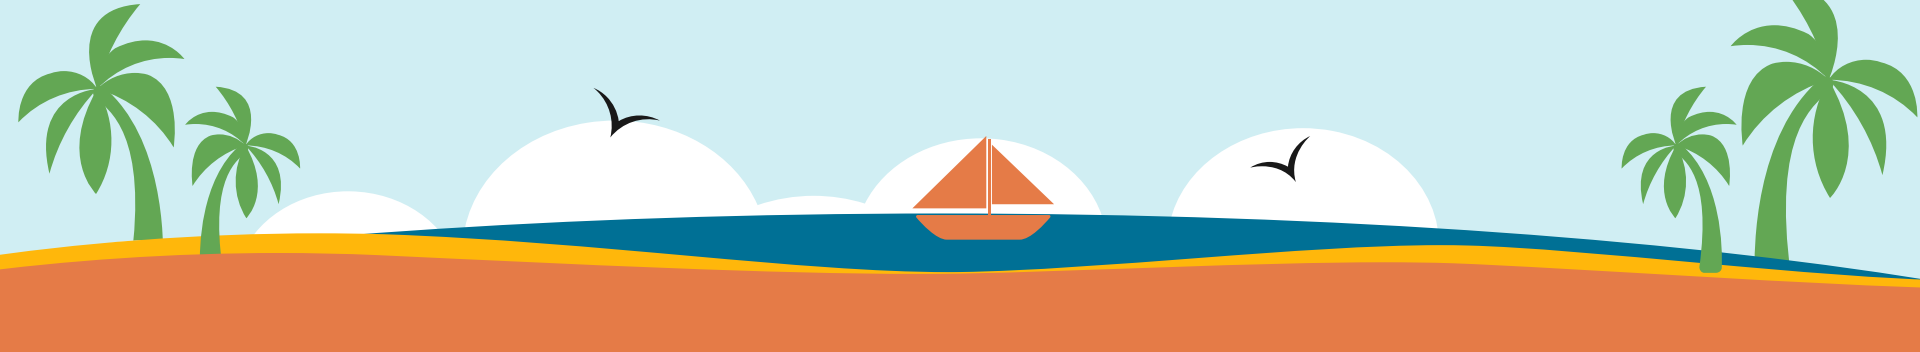

Lunch

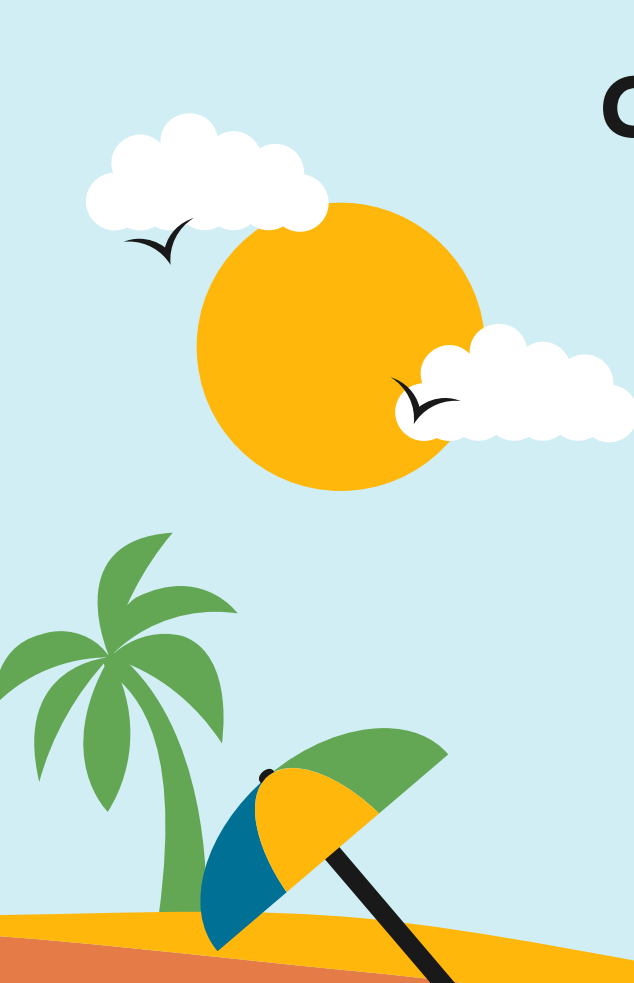

- We are a NUT AWARE facility! 
 - No nuts or tree nuts allowed at all
- Ziploc bag lunch (for Field Trips) must contain a frozen or very cold water bottle to act as an ice pack, or you may pack an ice pack inside the Ziploc bag.
- Water: Children will have opportunities to refill their waters throughout the day, including on field trips.
- Please provide your child with a morning and afternoon snack that is separate from their lunch.
 - Put snacks labeled with child name in a separate container or bag, so we can ensure they have morning and afternoon snack available to them.
- No candy—it will be removed from Lunchables.
- We do not refrigerate or microwave.
 - Consider a warm thermos for foods you want to keep warmed
- BASE does not provide food/snacks.

Sunscreen

- Please apply sunblock to your child BEFORE camp.
- Please supply at least one bottle of sunblock (or spray) as a donation for the class as we will re-apply it as needed throughout the day.
- If your child has an allergy, or you would prefer they have their own sunblock, please label with clearly with your child's name.

Communication Expectations

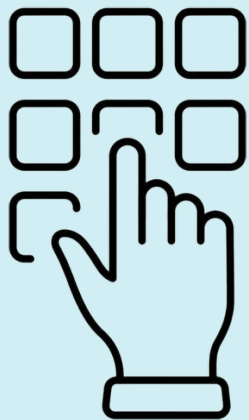

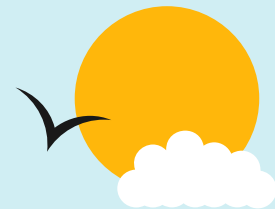

REMIND

You will receive a text from an App called REMIND. Once you accept to receive messages, this is how we can communicate last minutes changes like trip cancellations or if we are delayed on returning from a trip due to traffic etc.

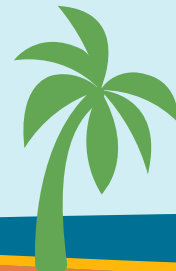

Absences & Emergencies

- **Absences:** CALL 781-849-3484
- **Emergencies:** If your child has a fever or is vomiting, we will ask you to come pick them up immediately. We will also call to inform you if your child has been hit anywhere above the shoulders.

Safety & Security

- Door code is for parents and regular caregivers **ONLY**. No others will be allowed in the building.
- When possible, have the same person pick up and drop off your child daily.
- If anyone other than parent/guardian will be picking up your child, please make sure you alert us of when, as well as who they are. They must bring an ID. **DO NOT** give them your code. They must be buzzed into the building and checked in at the front desk.

Health & Medication

- If your child is attending camp during the first three weeks of camp, **their medications MUST be dropped off at BASE by June 18th 5:30pm** with ALL paperwork (**if you have an inhaler and/or epi-pen we need a separate action plan**).
- Each week thereafter, your child's medication must be turned in at least one full week prior to your child's attendance to ensure proper paperwork and medication is received.
- All medication must be in its original container, unopened.
- All medication must match doctor's orders exactly; i.e. if it says Benadryl, it must be Benadryl and not Zyrtec.

Health & Medication

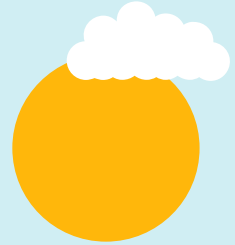

- If your child requires medication during camp, **forms must be completed by parent/s and health care provider/s in *advance*** for prescription and non-prescription medications.
- Forms can be found on our website under the Forms/Registration tab under Summer 2025 Medication Form.
- Medication must never be put in a bag with child or lunchbox.
- Physicals and immunization records must be current (within the last 12 months).

Sick Policy

You will be contacted and asked to pick up your child if:

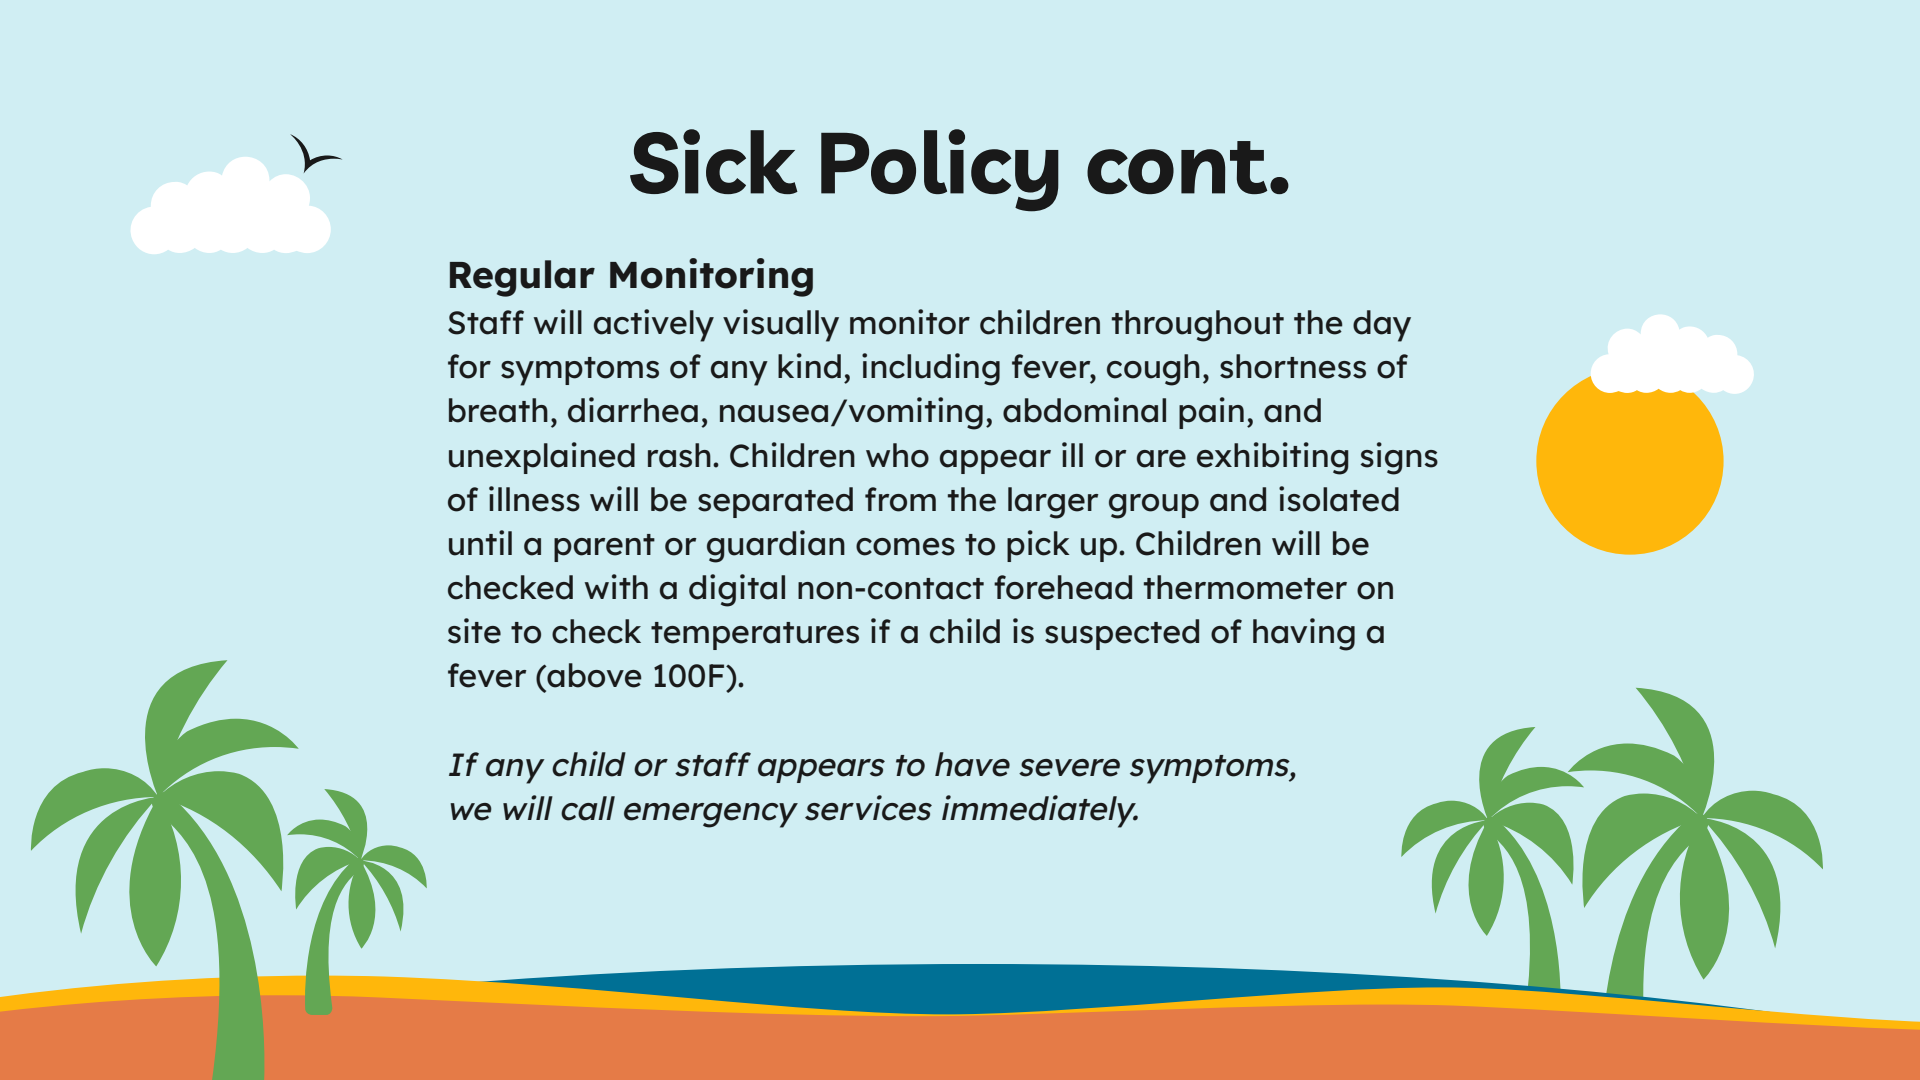

- Vomiting and/or diarrhea episodes at camp
- Fever above 100
- Child is so lethargic/sleepy they cannot stay awake

Rashes: You may be asked to obtain a doctor's note verifying it is not contagious.

Certain illnesses require the director to post a notice.* Confidentiality is always upheld in such cases. Calls to pick-up a child due to illness may not be disputed.

Sick Policy cont.

Regular Monitoring

Staff will actively visually monitor children throughout the day for symptoms of any kind, including fever, cough, shortness of breath, diarrhea, nausea/vomiting, abdominal pain, and unexplained rash. Children who appear ill or are exhibiting signs of illness will be separated from the larger group and isolated until a parent or guardian comes to pick up. Children will be checked with a digital non-contact forehead thermometer on site to check temperatures if a child is suspected of having a fever (above 100F).

If any child or staff appears to have severe symptoms, we will call emergency services immediately.

Communication

- Please keep us updated regarding emergency contacts, change of phone numbers, employer, etc.
- Emergency contacts must be **LOCAL** - we prefer two!
- E-mails - if you aren't getting them, check your junk/spam/promotions folder
- Look for the QR codes to follow our BASE Instagram and TikTok!
- Quick messages will be sent through Remind
 - Running late/returning early from field trips
 - Trip changes due to weather
 - Reminders to bring miscellaneous things like t-shirts for tie-dye etc.

Thank you!
